

## KQ BECOMES KENAS ACCREDITED

KENYA AIRWAYS has become accredited by accredited by KENAS (Kenya Accreditation Service) through successful compliance with ISO/IEC 17025: 2005. This is an addition to the collection of certifications that KQ holds as a maintenance organization and goes further to illustrate KQ's commitment to Safety and Quality.

ISO/IEC 17025, General requirements for the competence of testing and calibration laboratories, is the main ISO/CASCO standard used by testing and calibration laboratories.

The accreditation involves implementation of a quality system aimed at improving the ability to consistently produce valid results and is therefore formal recognition of the demonstration of competence.

The accreditation will allow Kenya Airways to provide services per the schedule below:
